Gary,

The following are the electronic documents that were not attached to e-mails #3 and #17 sent by EPA on 08/31/10 in response to your FOIA. The electronic document "Empty Cell 1 Aug 19 2020.pdf" contains C.B.I. and will be sent in a separate e-mail.

Hi Anita - here's the first set of comments in case you can start in on the revisions prior to receiving the comments on the other 5 cost estimates.

Hello Dave,

Attached are the cost estimates you requested.

For your information but probably not pertinent to AVX:

The Cell #1 estimate was prepared as part of Alternative #4 Hybrid \$80M/year cost estimate in February 2009.

The capping cost estimate was prepared as part of a Sawyer Street Relocation cost estimate developed for EPA in February 2008 (Cost Estimate 2bcf). In our CAD Cell estimates where we estimate only the DDA capping, and not the capping of Cells 1, 2 & 3, we assumed the DDA cap cost was 1/3 of the total [ $\$2,797,023 \times 0.333 = \$932,341$ ].

In cost estimates where these cost items were included, the cost items were escalated from the years originally developed to the Cost Year 0 of the respective cost estimate.

Anita

Hello all - EPA needs a copy of the subject cost estimate (for T&D of cell #1 and capping of the DDA) to forward to AVX. We committed to providing it this week, if possible.

By the way, if not communicated to you all while I was out last week, AVX has agreed to keep all CBI confidential and not to be released.

Thanks - Dave

Dave -

With respect to the documents forwarded on 8/31/10:

- 1) We could not locate
  - a. "esd.cost.est.alt1.\$80.310.doc," associated with e-mail #3.
  - b. "lhcc.erdc.model.rep.finalreview.doc," associated with e-mails ##11-14.

1) With respect to e-mail #17, in the header of your e-mail, two documents are noted as attached: "Empty Cell 1 Aug 19 2010.pdf"; and "Cap Pilot CDF Aug 19 2010." However, the documents listed as attachments at the end of e-mail #17 are named differently. They are referred to as "Empty Cell 1.pdf" and "Cap Cells 123 and DDA.pdf." Please confirm that these are one and the same.

Many thanks,

G.
